

265mm

The diagram shows a rectangular object with a dashed border. Two vertical solid lines are drawn inside, one on the left and one on the right. Two horizontal solid lines are drawn across the middle, one above and one below. Dimension lines with arrows indicate the following measurements: 265mm for the distance between the two vertical lines, 269mm for the distance between the two horizontal lines, 154mm for the distance from the right vertical line to the right dashed border, and 150mm for the distance from the left vertical line to the left dashed border.
