

152mm

The diagram shows a rectangular plate with a solid orange border. A dashed line indicates an inner boundary. Two vertical lines are drawn from the top to the bottom edge. The leftmost vertical line is labeled '152mm'. The second vertical line from the left is labeled '148mm'. Two horizontal lines are drawn from the left to the right edge. The upper horizontal line is labeled '214mm'. The lower horizontal line is labeled '210mm'. The labels are positioned to the right of the lines they measure.
