

109mm

The diagram shows a rectangular object with a solid black outline and a dashed black outline inside it. The dashed outline is smaller than the solid one. Two vertical dimension lines are shown on the left side, and two horizontal dimension lines are shown at the bottom. The vertical dimension lines are labeled '109mm' and '105mm'. The horizontal dimension lines are labeled '152mm' and '148mm'. The '109mm' dimension line spans from the top edge of the solid rectangle to the top edge of the dashed rectangle. The '105mm' dimension line spans from the top edge of the dashed rectangle to the bottom edge of the dashed rectangle. The '152mm' dimension line spans from the left edge of the solid rectangle to the right edge of the solid rectangle. The '148mm' dimension line spans from the left edge of the dashed rectangle to the right edge of the dashed rectangle.
