

78mm

The diagram shows a rectangular plate with a solid orange border. A dashed gray line represents an inner rectangular boundary. On the left side, a vertical dimension line with arrows at both ends indicates a distance of 78mm from the top edge to the top of the dashed line. Below this, another vertical dimension line indicates a distance of 74mm from the top of the dashed line to the bottom edge. On the bottom side, a horizontal dimension line with arrows at both ends indicates a distance of 109mm from the left edge to the left of the dashed line. Below this, another horizontal dimension line indicates a distance of 105mm from the left edge to the right edge of the dashed line.
