

105mm

The diagram shows a rectangular plate with a dashed line representing a cut. The plate is divided into four quadrants by a vertical line and a horizontal line. The vertical line is 105mm from the left edge, and the horizontal line is 105mm from the bottom edge. The dashed line is 109mm from the left edge and 109mm from the bottom edge. The dimensions are labeled as follows:

- 105mm: Vertical distance from the left edge to the vertical line.
- 109mm: Vertical distance from the top edge to the horizontal line.
- 105mm: Horizontal distance from the vertical line to the right edge.
- 109mm: Horizontal distance from the horizontal line to the bottom edge.
