

120mm

The diagram shows a rectangular plate with a dashed border. Two vertical lines are drawn from the top edge to the bottom edge. The leftmost vertical line is labeled '120mm'. The second vertical line from the left is labeled '124mm'. At the bottom, two horizontal lines are drawn from the left edge to the right edge. The second horizontal line from the left is labeled '124mm'. The third horizontal line from the left is labeled '120mm'. The dashed border is composed of short horizontal and vertical segments forming a rectangle within the main plate's boundary.
